- Number of workers includes contractors/deemed workers.
- Total wages/units estimated for the current period.

## Important information

Principals relying on this certificate should:

- ensure a statement under section 175B of the *Workers Compensation Act 1987 (NSW)* is attached
- ensure proper workers compensation insurance is in place
- compare the number of workers on site to the average number of workers estimated
- ensure that the wages are reasonable to cover the labour component of the work being performed
- confirm that the description of the industry/industries noted is appropriate

If the principal contractor has failed to obtain a statement or has accepted a statement where there was reason to believe it was false, they may become liable for any outstanding premium of the sub-contractor.

Did you know that an **excess, equivalent to the first week of compensable payments**, may be payable if notification of a claim is not provided to your insurer within five calendar days of when you became aware of the injury.

Yours faithfully,
